#### PRINCIPAL'S MESSAGE

I deeply appreciate the opportunity of using the opening page of your YEARBOOK to extend my best wishes and congratulations to this year's graduates of the Higgins Junior High School. As our enrollment has increased, it is quite possible that you now attend the largest Junior High School in the Commonwealth of Massachusetts.

In January this year, the United States inaugurated a new President to lead our land. You were present at the birth of the Carter Administration and almost all of you will be alive to see its achievements and failures recorded in the history books. Very soon, like the new President, you will inaugurate a new high school career. You will have countless opportunities to achieve success or experience failure and then your personal history will be recorded.

Looking back, you should recall the winter of 1977 for decades to come. Snow and ice, cold and "no school" days plagued or pleased us in the months of January and February. Yet it was during this time period that the Girls' Basketball team won the Greater Boston League title. Not to be outdone, the Boys' Hockey team in a supreme effort skated to first place in their division in the GBL. However, we shouldn't forget that your classmates became Co-Champs in the Junior High Football League. All these teams were supported by the most enthusiastic Cheerleaders who gave their all for "Higgins" at all of our home games. Sports has been the bond that has fostered the Spirit of Loyalty and Cooperation between the players and the coach, the school and the home, and the principal and the parent.

Who can forget the excellent singing and dancing in this year's musical CAROUSEL or the Thanksgiving Dance in the Cafeteria sponsored by the Student Council. There are other memories and activities too numerous to mention, but, they have helped to contribute to your success as a student and as a citizen. You received a good academic program and it is up to you to direct it toward a successful career through further study and instruction.

We would be remiss if we didn't extend our thanks to the Staff and Faculty Advisors who worked for months to make this YEARBOOK possible.

Finally, with your Unit Directors, Teachers, Guidance Counselors and Main Office Clerks, I wish you boundless success and happiness as you grow older and wiser with each passing year!

Sincerely,

Edward J. O'Connor  
Principal

On the Friday afternoon of October 12, after some of the snow had melted, the awaited spectacle was about to take place. It was noted in the first half that Higgins would probably be triumphant again. All of the Helions' 28 points were scored in the first two quarters. Half of these were scored by the captain, Davis Scribner, who accounted for two touchdowns and a two point conversion. Other scoring was done by Ed Jodrie and Bruce McGregor, scoring a touchdown apiece. McGregor also rushed for a two point conversion. The

This was a very important day for me. Although we did not exactly what we wanted when we to reveal the rule finally, we obviously some kind of something. Through some means, we arrived at a readable condition after a or by some way. We agreed that through this proper use of our Communist influence

# The Times of Your Life

Good morning yesterday  
You wake up and time has slipped away  
And suddenly it's hard to find  
The memories you left behind  
Remember

Do you remember the times of your life?

The laughter and the tears  
The shadows of misty yesteryear  
The good times and the bad you've seen  
And all the others in between

Remember

Do you remember the times of your life?

Each laugh for the joy and the sorrow

Put them away in your mind  
For memories are times that you borrow  
To spend when you get to tomorrow

Remember

Will you remember the times of your life?
